Dear Reader,

In years to come as the old Reverie of 1964 is pulled out and shown, we know you will be proud to display the results of our staff's efforts in putting together this year's book. We are sure that in its pages you will find many chuckles and memories captured in order that both now and later you might enjoy them.

We thank all who have had a part in making this publication possible with special regard to our patient and able advisor, Mr. Denz. We owe much to his leadership, encouragement and inspiration.

It is with great satisfaction and pride that the entire yearbook staff presents this volume to you. May you derive many years of pleasure from our 1964 Reverie.

Sincerely,

*Darlene O'Hara*

We, the student body of North Collins Central School, give our thanks to you, Joseph Canale, for having done so much for us during your years here.

All of us have enjoyed the programs and entertainment that you produced for the school and community.

You have patiently listened to our out of tune music lessons, and untiringly drilled our marching band through the hot summer days until we were ready to win awards in competition.

Thank you, Mr. Canale, for your sincere efforts and true interest in giving us the best.

Al, Best wishes to  
a fellow classman.  
Good luck at college this  
summer. God bless you,  
Sandy

Al  
We've been neighbors, and  
mates, great friends, and  
better, best buddies for 4 yrs.  
Never forget all the fun we  
had in that time. Kidee and I were  
playing tennis parties, but remembering broke  
that one time when you were swinging and it broke  
from the tree on the swing and it broke  
How I laughed. Hope to have lots more  
fun in the coming years. God Bless you  
Nance

Al,  
Good ol' Al.  
Remember all the  
things we did together.  
Remember the Guidance  
office and Mr. Appleton. Don't  
forget Latin, Math, English, and  
Chemistry. Remember "nice class". Don't  
especially Mrs. Olsen's "nice class". Don't  
ever end up with a scarlet letter around your neck.  
Good luck to a good kid and a smart, intelligent, brilliant,  
handsome kid. "The math wing"  
Norbert

Good

Al,  
Hello to you.  
Have you any land  
memories to recall today?  
You and I had we are sure  
lots of fun and we are sure  
to be all stars next year. Seniors  
are about as much fun as  
had a year in high school  
breaks up. (Nervous mind)  
Much luck. Have fun this summer.  
Next fall. Good luck and enjoy your summer.  
Norbert

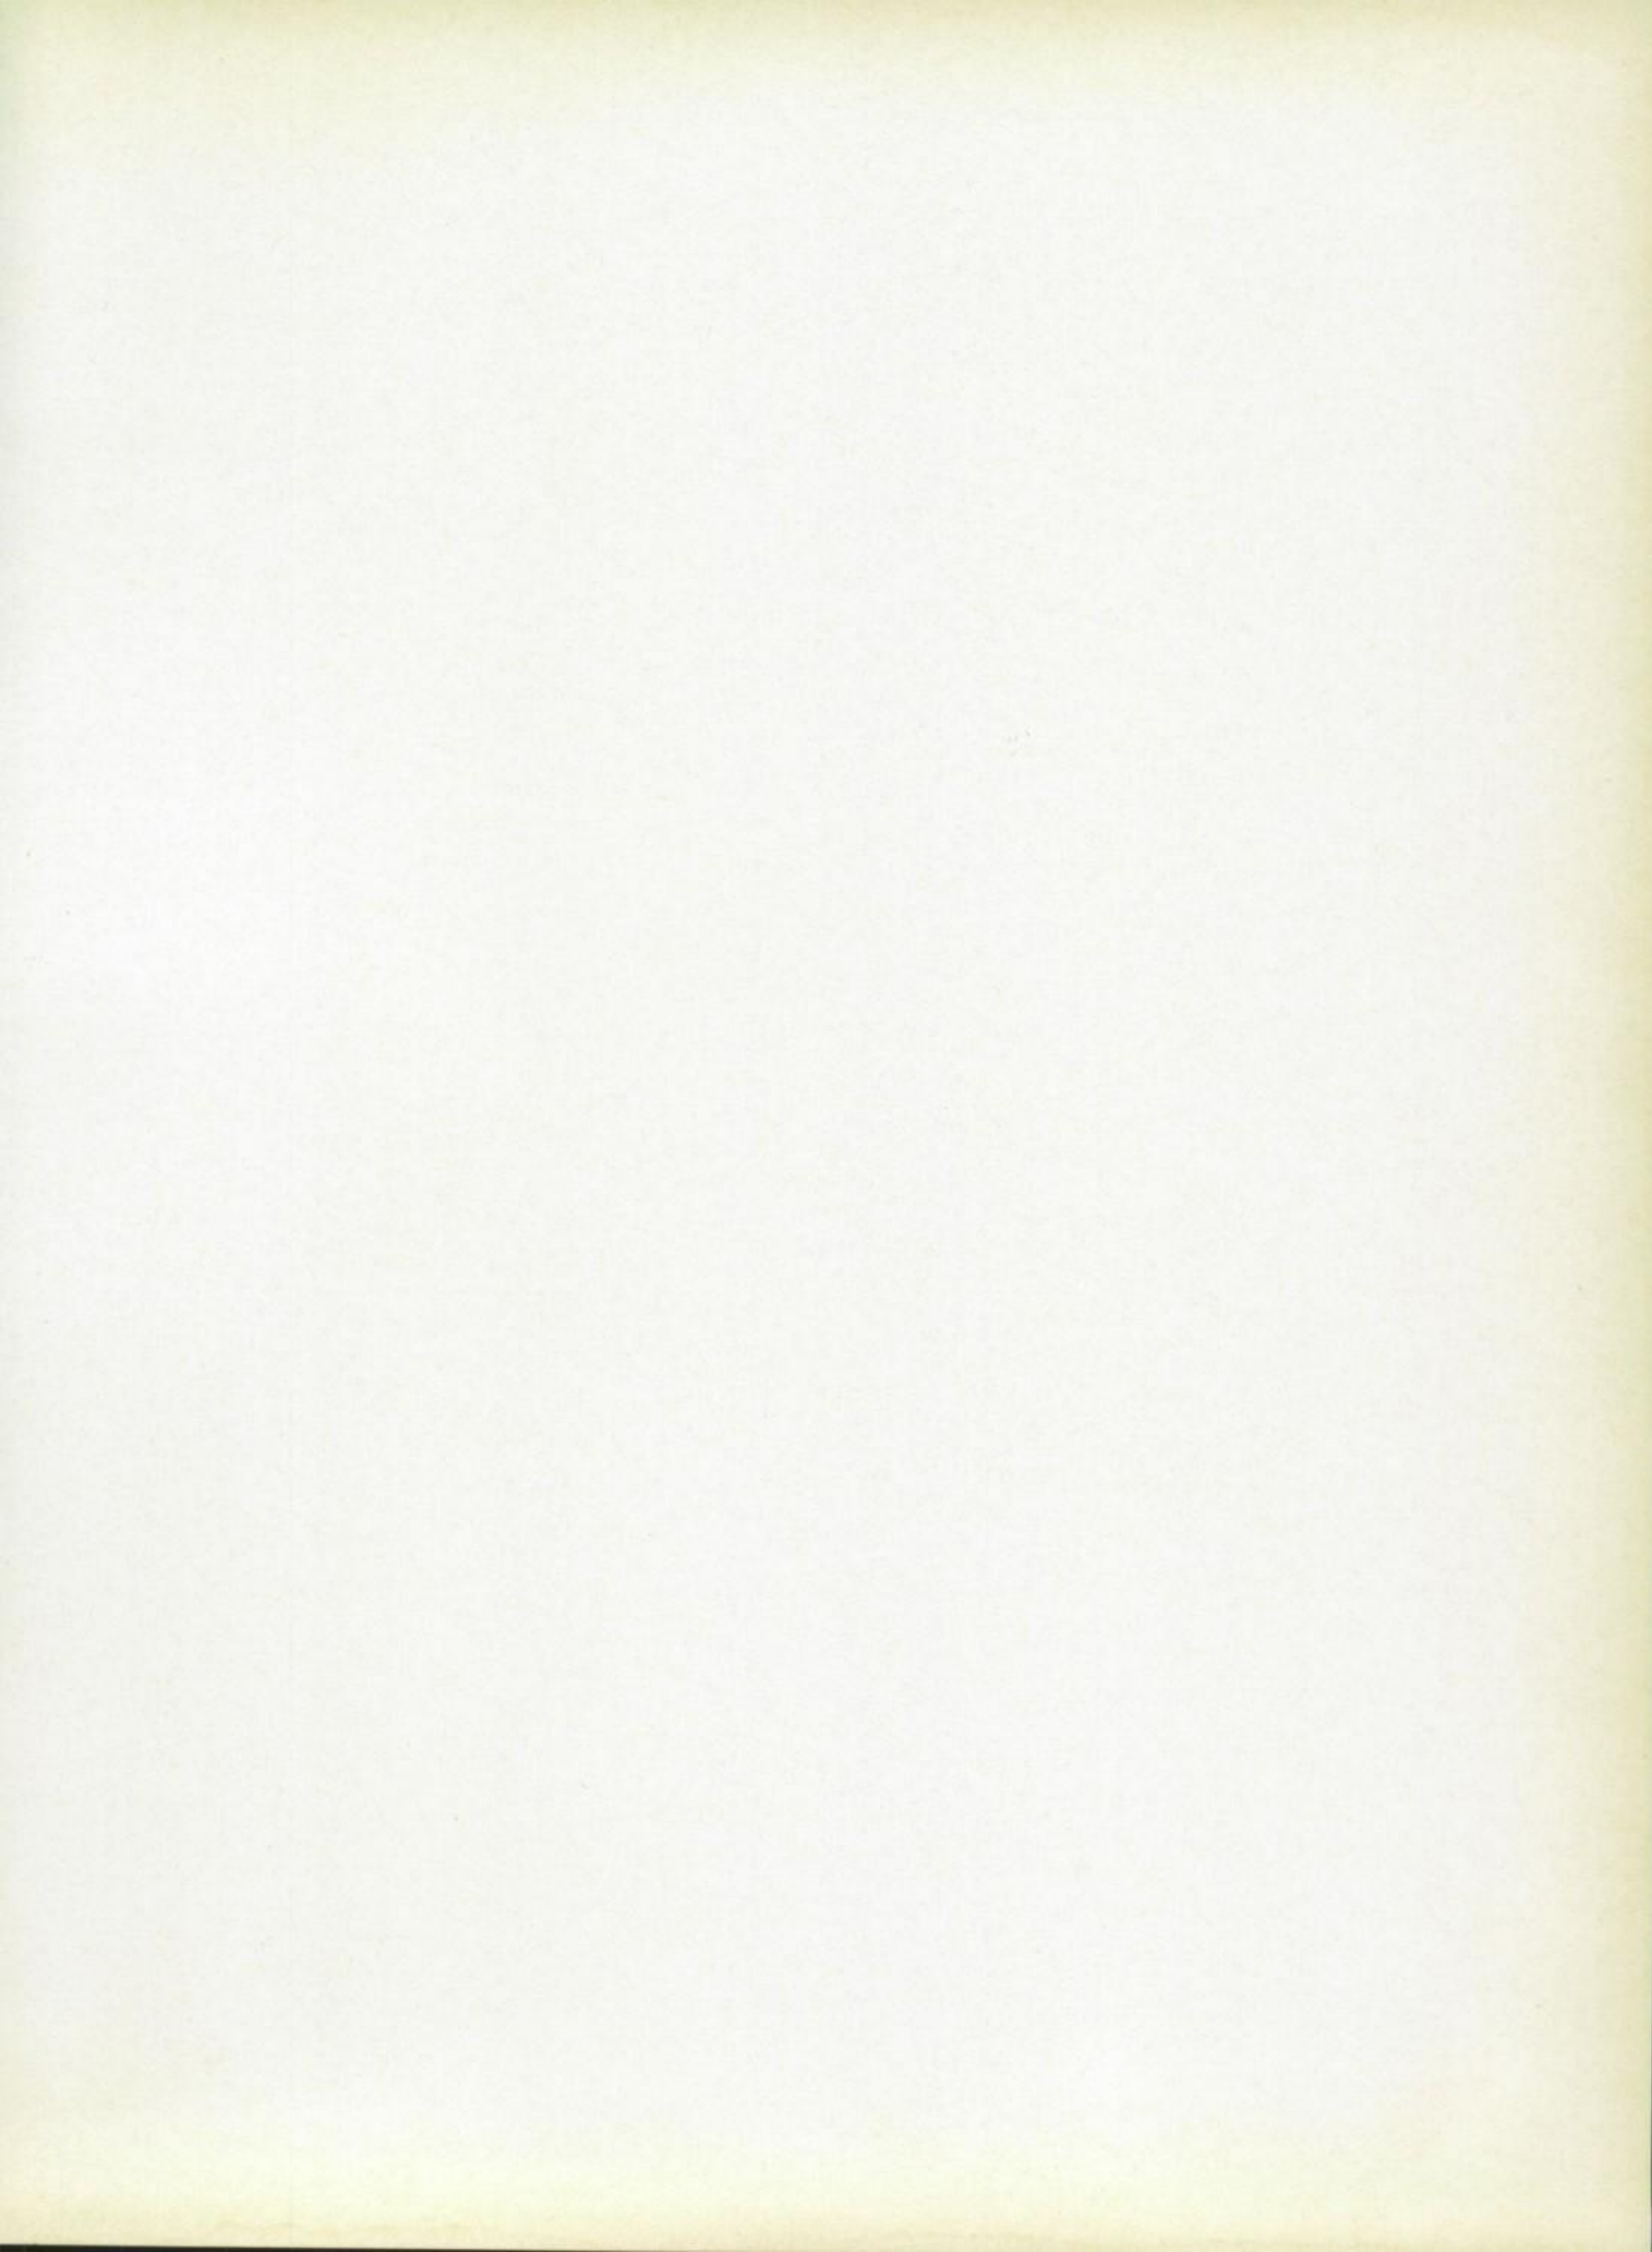

(Al)  
Good Luck to a  
very fine fellow student,  
Elt has been a pleasure  
knowing you can do as well in the  
future as you have in the past. We will  
el hope remember playing sports with you  
and the good times we had in gym.

The All Star
